18TH INTERNATIONAL WORKSHOP ON SPATIAL ECONOMETRICS AND STATISTICS

23 - 24th May 2019, Paris, France

The 18th International Workshop on Spatial Econometrics and Statistics is organized in Paris on 23-24th May 2019. This edition follows previous workshops held annually in France since 2001. The aim of this international workshop is to promote and develop scientific exchanges between economists, econometricians, statisticians, geographers and mathematicians on spatial econometrics and statistics and their applications in various fields of research. This workshop also aims to discuss the state-of-the-art and future challenges as well as opportunities in the fields of spatial econometrics and statistics and encourage exchanges between senior and junior researchers involved in spatial statistics and econometrics.

All submissions in the fields of spatial statistics and spatial econometrics are welcome (methodology, applications etc.). Theoretical and applied studies with methodological advances in spatial econometrics and statistics can be submitted. We especially encourage submission by junior researchers. For this 18th edition, we also encourage submissions on issues related to environmental economics, agricultural economics and climate change modeling and their treatment in spatial econometrics and statistics.

KEYNOTE SPEAKERS

Denis Allard

Biostatistics and Spatial Processes
(BioSP), INRA

Kathy Baylis

Agricultural and Consumer Economics,
University of Illinois

Roger Bivand

Department of Economics
Norwegian School of Economics

Stuart Sweeney

Department of Geography
University of California

CEM ERTUR PRIZE

During a special session dedicated to the Cem Ertur prize, selected young applicants will present their contributions. They will benefit from an extended time for presentation and a thorough discussion by a senior researcher. The winner will be announced during the conference and will receive a 500€ award.

IMPORTANT DATES

Submission: Completed papers or long abstracts (7 pages) should be submitted by email to sew2019@inra.fr

from Feb. 1st, 2019 to March, 1st 2019

Notification of acceptance:

March 15th, 2019

Registration:

from Feb. 1st, 2019 to April 30th, 2019.

At least one author must register:

before April 5th, 2019.

Final program:

April 20th, 2019.

ORGANIZATION
