Registration required by mail before 7 March : [inscription.philo@gmail.com](mailto:inscription.philo@gmail.com)

# PROGRAMME

9h

INTRODUCTION

9h30

Marie Gaille, SPHERE UMR 7219, University of Paris/CNRS, Director Institute of Humanities and Social Sciences (InSHS)

9h30

"FIELD PHILOSOPHERS": WHAT ARE THEIR OBJECTIVES AND TOOLS?

- *Digital humanism, ethics of care and individualization in light of new E-health measures*, by Giovanni Scarafile, University of Pisa and Roberto Greco, University of Salento

10h45

- *Collaborative research between field philosophy and medical sciences: From disappointed expectations to long-lasting collaborations*, by Agathe Camus, Post-Doctoral researcher, SPHERE UMR 7219, University of Paris/CNRS and Mathilde Lancelot, Associate professor, François Viète Researcher Center, University of Nantes

11h

MAKING NEW FORMS OF JUSTICE EFFECTIVE: A NEW TASK FOR FIELD PHILOSOPHERS?

- *Discursive justice through empirical ethics? Possibilities and challenges of empirical approaches considering marginalized groups in health care ethics*, by Silke Schicktanz, University Medical Center Göttingen, Medical Ethics and History and Mark Schweda, University of Oldenburg, Ethics in Medicine

12h15

- *Narrative methods as a safe space to facilitate affective justice in health and social care*, by Brenda Bogaert, Post-Doctoral researcher, Healthcare Values Research Chair, Léon Bérard Center (Lyon), and S2HEP Research Center, University of Lyon 1, Claude Bernard

LUNCH

13h30

MEDICAL PROFESSIONALISM: HOW CAN FIELD PHILOSOPHERS HELP BRIDGE THE GAP BETWEEN THEORY AND PRACTICE?

- *Professional ethics in healthcare: Are we speaking about the same?*, by Sabine Salloch, Professor, Hannover Medical School, Germany

14h45

- *Between philosophical controversies and medical practice in intensive care: how can field philosophers contribute to both?*, by Marta Spranzi, Associate professor, UVSQ Medical school, clinical ethics consultant, AP-HP, R2E Unit, CESP U1018 University Paris-Saclay/INSERM

15h

PATIENTS AND MENTAL HEALTH CARE PROFESSIONALS: CAN FIELD PHILOSOPHY CONTRIBUTE TO IMPROVE PRACTICES?

- *Persuasion or coercion? An empirical ethics analysis about the use of influence strategies in mental health community care*, by Emanuele Valenti, Senior Research Associate in Health Care, Bristol Medical School

16h45

- *From addiction care to Pascal's wager: how to help someone who has "fallen" to recover?*, by Margaux Dubar, PhD student and lecturer at Jean Moulin Lyon 3 University, member of IRPhIL and the Healthcare Values Research Chair

17h

EMPIRICAL BIOETHICS OR "PHILOSOPHY IN PRACTICE": WHICH DIRECTIONS FOR FURTHER RESEARCH?

- *Is empirical bioethics philosophy in practice? Reflections on the rationale, framing and future of empirical bioethics*, by Jonathan Ives, Professor, University of Bristol

18h15

- *A comparison between the basic assumptions of empirical ethics and the practice of empirical research in philosophy*, by Catherine Dekeuwer, Associate professor, Lyon 3 Jean Moulin University, IRPhIL and SPHERE UMR 7219, University of Paris/CNRS
